Dear Residents,

We are sorry to inform you that we have completed our leaf pick-up program for this year. Our final pick-up date was to have been 11/30/18 but due to our late fall and recent storms, we completed an additional, unscheduled leaf pick-up last week ending on 12/7/18.

We will be announcing a one-time pass for a spring cleanup weather permitting. Please check for updates with our newsletter or website. We are sorry for any inconvenience.

Thank you,

Bob Rogerson
