

FAQ'S OF R6 and R7 Zoning Districts in Boulder Hill

Recently there have been some discussions as to what is allowed and not allowed by Ordinance in Boulder Hill. Boulder Hill is the largest, unincorporated subdivision in Kendall County. With Boulder Hill having a Montgomery zip code, and its water supply also coming from the Village of Montgomery, many people believe that the Village of Montgomery is their local jurisdiction. Though it may be serviced by a variety of agencies, Boulder Hill is governed by Oswego Township. Oswego Township and Kendall County Planning, Building and Zoning have put together this list in an effort to clarify some confusion. Any questions, please feel free to contact **Oswego Township at 630-554-3211** or **Kendall County Planning, Building and Zoning at 630-553-4141**.
