## **LOCAL GOVERNMENT EFFICIENCY ACT**

Decennial Committee on Local Government Efficiency Act, 50 ILCS 70/1 went into effect on June 10, 2022. This law requires Illinois townships, road districts and township multi-assessment districts to convene a committee to study and report on local government efficiency and that the committee must reconvene every ten (10) years.

This law applies to all township-related governing bodies (Townships, Road Districts, and Multi Township Assessment Districts). It also applies to all other units of local government that levy taxes but excludes municipalities and counties.

The committee must “summarize its work and findings within a written report, which shall include recommendations in respect to increased accountability and efficiency and shall provide the report to the county board in which the governmental unit is located no later than 18 months after the formation of the committee.” 50 ILCS 70/25.
